

THE RUNESTAFF

MAR 2005
A.S. LIX

Welcome! The Barony of Mag Mor is the Lincoln, Nebraska branch of the Society for Creative Anachronism SCA, an international non-profit organization dedicated to recreating and researching pre-17th Century European history. Mag Mor is located in the Kingdom of Calontir, modernly Missouri, Iowa, Kansas, and parts of Nebraska and Arkansas.

The words of Their Excellencies:

Mag Mor,

We have received word that the Barony got the bid for Kingdom A&S in September. We look forward to the opportunity to welcome the Kingdom back, even though we know it will take a lot of work so soon after Cattle Raids. If you have the willingness to help with the event, please get in touch with us as event stewards as soon as possible.

We also want to thank the Barony for taking the cloak project for Vindheim up, and especially to Lady Roslyn and Lady Laurencia for their outstanding work in sewing the cloaks. We also want to thank Her Ladyship Catlin de Moretaine of Vavia for sewing the arms of the Principality on the cloaks for them.

If you are interested in helping the Barony run our spring Herdmaster revel, please contact the Seneschal; it should be in the Spring, and we can help you with sites and marshals.

And we hope to see everyone at the events in April. Crown is in Lonely Tower, and Queen's Prize is in Spinning Winds.

Yours in Service,

Lelia and Takauji
Baroness and Baron

Letter from the Seneschal

Mag Mor,

Greetings! I have returned from the sweat, sunburn, and (avoided) storms of this year's Gulf Wars! As we look ahead, there's so much activity coming up! Events are picking back up with the summer weather, Herdmaster should be scheduled soon, Lilies is only 3 months away, and Cattle Raids and Kingdom A&S are on the horizon! I'm excited about all of the opportunities coming up to participate in the Baronial and Kingdom activities!

See you out there!

Asa
